(\* For students who turn 2 during the year, there may be an option for the children to transition to more days per week, depending on the availability of space in those classrooms.)

*All registration fees are non-refundable and non-transferable to other children in the family or another school year. The registration fee covers the administrative cost of the program, including enrichment activities. This is a one-time fee for each school year and must be made online.*

**Sibling Discount:** *The sibling discount will be applied for registration fees only to all families enrolling two or more children in the preschool program at the same time. The sibling discount will be applied to all who are enrolled at the same time. Please email the office for your sibling discount code.*

*Our school offers classes for children ages 1 year old to 4 years old. Ages for each class are based on the child's age on **September 1, 2023**. For example, if your child is 2 years old and their birthdate is September 4<sup>th</sup>, 2020, they will need to register for the **2-year-old class**. For students who turn 2 during the year, there may be an option for the children to transition to more days per week, depending on the availability of space in those classrooms.*
